

WELCOME STUDENTS!

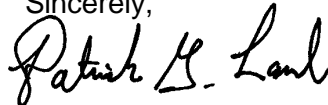

Congratulations and welcome to our Traverse Bay Area Intermediate School District Career-Tech Center. As a division of the TBAISD, we are proud of the twenty-two career and technical education opportunities our programs have afforded to students for more than a quarter of a century within the Grand Traverse Region. We are pleased to support our local school districts by offering students the opportunity to participate in one of the finest career and technical education centers in the State of Michigan. We are excited about meeting all first-year students and continuing to work with returning second-year students.

Our mission is to prepare students with skills and learning experiences for employment and life-long learning. The entire staff is committed to ensuring that you, the student, enjoy a meaningful experience as you begin the journey to your future career. Our Career-Tech Center provides a challenging environment where all learning and teaching is relevant to your career pathway. We encourage you to assume personal responsibility by working hard, asking questions, and taking advantage of the numerous opportunities available at our Center. It is a great place to learn.

As a student enrolled at the Career-Tech Center, you will have the opportunity to participate in a variety of extra curricular activities. We invite you to become involved in Skills USA, FCCLA, FFA, HOSA, NTHS, Student Council, M.I.T.E.S, and/or any of the additional student clubs, community projects and leadership organizations available at CTC. These experiences will enhance and benefit the entire school community. Your experience at the CTC is what you make of it.

We believe that Career-Tech Center graduates can find success “anywhere in the world.” We hope that you are as excited about your possibilities as we are! If you have a question or need some help, please stop and see me. I am looking forward to a great 2016-17 school year for all those connected with the TBAISD Career-Tech Center! Please take time to browse our website, www.tbactc.org, or our Facebook page, www.facebook.com/tbactc, for information about our Center and programs.

Sincerely,

Patrick G. Lamb

SEMESTER ATTENDANCE POLICY

RESPONSIBILITIES OF THE STUDENT

Attendance records will be maintained on a per-semester basis. The policy applies to all high school and adult students enrolled. Students will earn credit by being present in class and successfully completing required coursework. Your skill level, work ethic, and attendance record are very important in determining your potential as an employee. **IT IS THE STUDENT'S RESPONSIBILITY TO VERIFY THE ATTENDANCE SHEET WEEKLY.**

Achieving perfect attendance will grant you special recognition. A letter will be sent to your family and home school. Perfect attendance means no personal absences or make-up days and less than three tardies per semester.

IF ABSENT:

- 1. Parents call 922-6320 the day of your student's absence. Absences not verified by a parent within 48 hours can't be made up or excused.**
- 2. Your absences will be reported to your home school on a daily basis.**

Home high school related absences must be verified by the home high school. Failure to do so will result in the absence being charged against you.

HOME HIGH SCHOOL RELATED ABSENCES (No Penalty)

1. Snow days called by sending school or Career-Tech Center
2. School sponsored activities as determined by home school
3. College visitation with home school approval
4. Home high school calendar conflicts
5. Armed services: ASVAB testing or physical

PERSONAL ABSENCES* (Must be verified by parent within 48 hours by note or phone call.)

1. Illness/or absences for medical appointments
2. Funeral attendance
3. Legal business
4. Religious holidays
5. Family vacations
6. Wedding attendance
7. Homebound students
8. Hunting
9. Arriving too late or leaving too early.
10. Penalty day assessed every third tardy.
11. Time cards not turned in.
12. More than 15 minutes in Sick Room

*Extended illnesses, bereavement or extenuating circumstances will be reviewed on an individual basis by the administration and teacher. The student is required to obtain a special consideration contract/request prior to review. Students 18 years of age must still have parental notification of absences unless authorized by an administrator.

TARDIES – ALL STUDENTS WHO ARE TARDY ARE REQUIRED TO REPORT TO STUDENT SERVICES.

Tardies will be penalized by a loss of daily Work Ethic points. Every third tardy will affect attendance as a penalty day. If you arrive later than 15 minutes after your home school's start time, or leave 15 minutes before scheduled home school departure time, you are tardy. Upon the sixth tardy, the student may be referred to CTC administration for further progressive disciplinary action.

LEAVING EARLY

If you leave 15 or more minutes before the end of class, it will count as an absence. Leaving less than 15 minutes before the end of class will count as a "tardy." Parents must call or write a note in order for students to leave early.

CREDIT RECOMMENDATION

Being present for the full class is the student's responsibility. Personal absences will affect CTC's recommendation to the Home School for credit in the following ways:

Five or Less Days:	Recommend 1 ½ credits per semester. (Max available)
6 - 10 Days:	Recommend 1 credit.
11 - 15 Days:	Recommend ½ credit.
16 or More Days:	Recommend no credit. Meet with administrator to determine continued enrollment. To assist students in meeting their attendance responsibilities, the CTC staff will:
Orientation:	Notify students of attendance expectations and distribute Student Handbook.
At Five Personal Absences:	Send a letter home reminding student of attendance expectations.
At Ten Personal Absences:	A credit loss letter will be sent to home and school.

Students on co-op or work exploration training agreements are required to turn in time cards on a weekly basis. Failure to do so may result in personal absences or credit reduction which may affect graduation. If time cards are not turned in within two weeks, the absences will stand as personal absences.

MAKE-UP OPPORTUNITIES

With prior approval from the instructor, a student may have the opportunity to make up a personal absence, if verified by parent within 48 hours, as it relates to credit recommendations. A make-up day can only be pre-arranged through the instructor when the home high school is not in session. Make-up days may only be granted outside of regularly scheduled CTC class time, unless special permission has been granted by the home high school. Students should arrange for make-ups on a timely basis and not wait for the last minute. **A student may make up no more than six verified (parent called) absences per semester.**

CTC will offer periodic Saturday make-up sessions throughout the academic year. Students are required to sign up in advance and may choose between a two and one-half hour or five hour block of time. Saturday School attendance is a privilege and may be revoked due to disciplinary issues and/or lack of production.

Make-up days have to be completed during the same semester that the verified personal absence occurs. Make-up slips should be turned in to Student Services. This must be done before the end of a semester. **Skips and unverified absences cannot be made up.**

ATTENDANCE HOTLINE

All personal absences need to be reported to CTC Student Services (922-6320) **as well as** the student's home school attendance office. Parents can expect to be notified by our automated phone system, School Messenger, for any unreported absences. Parents are given a 48-hour period to report or verify student absences. The phone number and message system are available 24 hours per day.

ENROLLING AT THE CENTER

To be officially enrolled at the Center, you must fill out a Student Data Form/Emergency Medical Form. Students are strongly encouraged to attend an orientation session and must sign a form saying they have read and agree to follow school rules/guidelines outlined in the Student Handbook.

EARLY CHECKOUT

Once you arrive at the Center, **you must remain on the grounds** until your class is over. If leaving early or arriving late, please report to Student Services.

VISITORS (All visitors must check in at Main Office window.)

We will have visitors throughout the year. Carry on your work as usual. If asked a question, please answer as accurately as possible and in a polite, mature manner. You may bring friends to visit your program only if you:

1. get permission from your instructor before bringing friend(s).
2. get a written admission slip from the Attendance Office the day of the visit. (If the visitors are from a school in our district, they are expected to have permission to visit from their school.)

ID BADGES

ID badges are recommended for school safety by the Department of Homeland Security. Students at the Career-Tech Center are required to wear their CTC picture ID at all times when they are in the building when CTC is in session. The ID badge must be presented to any staff member or security person upon request.

Students will be issued their ID badges as soon as possible after enrolling in a CTC program. Students must wear their own ID, "face out," and in plain view, hanging around neck on a lanyard. Lanyards will be provided by CTC. ID's attached to program hats are not acceptable. It is the responsibility of each student to maintain possession of their ID badge. Lost, damaged, or altered ID's will be replaced at a cost to the student of **\$5.00** each.

Not wearing your ID badge, wearing the ID badge of another student, altering an ID badge in any manner, or wearing an ID badge incorrectly or inappropriately can result in loss of driving privilege, parental contact, or suspension from the Career-Tech Center.

ANTI-BULLYING/VIOLENCE PREVENTION

The Career-Tech Center recognizes that bullying is a serious issue that has damaging effects on our students and society. Bullying behaviors take different forms and are NOT acceptable in our society, nor our school. Students and parents are encouraged to report any and all incidents of bullying either directly to teachers, secretaries, school administrators, or anonymously after 5:00 PM, via 922-6320. See Page 33 for complete policy.

CREDIT

Credit for successful completion of a Career-Tech Center program is recommended by the Career-Tech Center and is granted by the home high school or adult education district (see Attendance Policy). Through an Articulation Agreement with Northwestern Michigan College and other post-secondary institutions, you may receive advanced placement or college credit for skills attained in many programs at the Career-Tech Center.

ACADEMIC CREDIT OPTIONS

Academic credit may be earned at the CTC. Each program offers academic credit taught by a highly-qualified instructor. Your home school counselor will help you determine the credit reflected on your transcript.

GRADING

You will be issued reports every nine weeks. A copy will be kept in your file at the Center, one will be sent to your home high school, and a copy will be given to you. At any point in time students and parents are encouraged to check student grades online in Power School (passwords will be provided).

Grades are based on:

Modules, tests, quizzes, work ethic, co-op/work experiences, and career preparation skills.

Modules Grade

Modules are units of learning related to specific tasks. The units include written materials, performance skills, activity sheets, quizzes, tests, and pre-determined standards of achievement.

Work Ethic Grade

This grade recognizes how effectively you work throughout the class period to constructively achieve skills or complete tasks. Thirty to thirty-five percent of each marking period grade will be based on your work ethic. The remaining percentage of your grade will be determined by other program objectives. Attendance and tardies will affect your nine-week work-ethic grade. Students are expected to have a positive attitude, be dependable, and possess the initiative to succeed. Personal absences, skips, suspensions, and days in the sickroom will count as "0" for work ethic grades.

STUDENT PROGRESS REPORTS

Reports during the middle of the marking period will be sent to your parents and your home high school if you are achieving below desired standards. Reports may also be sent indicating achievement of higher level skills and above average program participation. Parents and students are strongly encouraged to monitor student work and grades from home via PowerSchool Parent Portal.

CERTIFICATES

You may earn:

- 1. National Career Readiness Certificate:** Students who achieve at the gold, silver, or bronze level on the ACT WorkKeys job skills assessment are eligible for this credential. For more information visit: www.act.org/certificate
- 2. Principal's A or A- Honor Roll:** Students who earn a grade of A or A- will receive a Principal's Honor Roll certificate each semester.
- 3. Perfect Attendance:** Students who have perfect attendance for the semester or year receive a certificate. Persistent tardiness will affect perfect attendance.

CAREER PREPARATION SKILLS

Instruction to develop job-seeking, job-getting, and job-keeping skills is an important service provided to all Career-Tech Center students. Every student enrolled at the Career-Tech Center must test out or pass all career preparation modules to be eligible to complete a job title. Included are: resume writing, interviews, rights on the job, career information, and future educational needs.

CLEAN-UP FACILITY CARE

You will be expected to help keep your lab and classroom clean on a daily basis. Maintenance of facilities, equipment, and supplies is an important part of your training. It is expected you will help keep the hallways and snack areas clean by putting paper, wrappers, etc., in the containers provided.

SAFETY INSURANCE

It is recommended that all enrolled students carry personal medical insurance. High school students should contact your local school office to take out a school insurance policy if you do not have other insurance. **The Career-Tech Center does not carry accident insurance for students.**

You must follow the safety rules established for your Career-Tech Center program. Students in designated programs must wear safety glasses according to law. Your instructor will explain procedures that must be followed in case of fire or tornadoes.

Injuries occurring at CTC must be reported to your instructor or the office and an Accident Form completed.

HOME SCHOOLED STUDENTS

Home schooled students will follow the calendar and arrival/departure times of the district in which they reside. Home schooled students are not eligible for no-penalty absences for pep rallies, sporting events, field trips, early dismissals and other related activities that are sponsored by the district of residence. They are expected to attend CTC on those days. For safety, home schooled students will follow the weather-related cancellations of the district in which they reside.

DEPOSITS

You will be required to pay a \$30.00 deposit at the beginning of the school year. Student deposits are due at the end of September. Students with extenuating circumstances should contact their program counselor.

Deposits will be refunded to you on one day's notice if all supplies are returned in satisfactory condition and with the instructor's approval. Requests for refunds will be honored for only two weeks after your last day of attendance but not beyond the last day in June. If the cost to replace the damaged or lost item is greater than your deposit, you will be responsible for the additional cost. Deposits will be refunded through the main office.

MATERIALS/LAB FEES

Your instructor will issue all textbooks, safety equipment, uniforms, supplies, or other items needed by your program. You will be charged for materials that go into projects you make and wish to keep.

WIRELESS COMMUNICATION DEVICES (WCDs)

Students, in good standing, are permitted to possess and use WCDs, including cell phones, in the building during non-instructional time. In addition, at the discretion of the instructor, students may be permitted to utilize WCDs during instructional time to enhance teaching and learning. Students are prohibited from using WCDs for purposes that are a disruption to the educational process. Such violations may result in temporary or permanent loss of the privilege of using or possessing WCDs at the CTC.

VIDEO SURVEILLANCE AND ELECTRONIC MONITORING

TBAISD and CTC may utilize video surveillance/electronic monitoring equipment to observe, monitor and/or record the behavior and activity of all persons on school property or grounds, or participating in school functions.

SEARCH AND SEIZURE

The Board of Education has charged school authorities with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search school property such as lockers used by students or the person or property, including vehicles, of a student. See Board of Education Policy 5771 for more information.

SELECTIVE SERVICE OBLIGATION

Male students reaching the age of 18 are reminded they are required by law to register for the selective services. See board Policy 8330 for additional information.

ILLNESS AT THE CAREER-TECH CENTER

Students who become ill while at the Career-Tech Center should report to the main office. A sick room is available while waiting for a parent contact. Students who spend the day in the sickroom do not receive a work-ethic grade. **More than 15 minutes in the sick room = a personal absence.**

SELF-MEDICATION

Traverse Bay Area Intermediate School District shall not be held liable for any students who administer to themselves prescribed or over-the-counter medications. Students with extenuating circumstances should contact an administrator.

YOUTH HEALTH AND WELLNESS CENTER

The Youth Health and Wellness Center is a full-service student health care center located on the campus of the Career-Tech Center. Care provided includes physicals, immunizations, TB testing, mental health counseling, as well as walk-in care for minor illness and injuries. Please call 922-6416 for more information or to schedule an appointment.

DRIVING/PARKING

It is recommended that you use the transportation provided by your home high school. If you have been granted permission to drive a private car to the Center, you **must** park in the designated student lot on the northwest side of the building. All students driving to CTC are required to possess an official CTC parking tag. **NO student parking is allowed in the back parking lot or visitor lot.**

A \$5.00 fee will be used to maintain the parking lot or offset costs for student activities. The tag can be purchased in the main office and must be placed on the rear view mirror with the number facing outside. Students from M-TEC visiting CTC for meetings, etc. should get a "Visitor Parking Permit" from the main office on the day of their visit. NMC current year parking stickers are also recognized as valid permits for our CTC student parking lot. **The transfer or selling of CTC parking tags is not permitted.**

Your vehicle must be operated in a safe manner and comply with all existing laws. Driving is a privilege. Vehicles may be subject to search while on school property. Students who drive to the Career-Tech Center must maintain a vehicle that is both safe and orderly. The CTC reserves the right to **ban** a vehicle that is not safe and/or contains any profane gestures or paraphernalia.

Upon arrival to the Center, you are to park in the designated student parking area, immediately leave the parking lot, enter our CTC building, and not return to the parking lot until it is time to depart for home. Do not sit in your vehicle.

Once you arrive at the Center, do not leave the property until your class is over. If you are found in the parking lot at other than the above times, you may lose your driving privileges and/or receive other disciplinary action. The Center assumes no responsibility for damage or theft relating to your vehicle. If tardiness becomes an issue, you may lose your driving privilege.

PERSONAL APPEARANCE/DRESS CODE

It is important for students to develop personal pride in their appearance and an understanding of what is appropriate at school and in the work place. The Career-Tech Center staff will continue efforts to develop each student's personal pride and understanding of appropriate dress and avoidance of extremes.

Since appearance is primarily a personal responsibility, final decisions concerning dress and grooming will be left to the judgement of individual students and their parents. The only exception to this will be that the CTC will regulate student appearance under the following conditions:

1. When dress or grooming, including hair, disrupts the educational function for the classroom or Center (example: mini-skirts/shorts, bare midriffs, low cut tops, bare feet, and see-through blouses). Any item of apparel (clothing or jewelry) printed with profanity or inappropriate slogans including those promoting alcohol or drug use or clothes that depict violence, hatred, Satanism, gang affiliation, or sexually suggestive material will not be allowed. Sunglasses may not be worn in the building.
2. When dress or grooming, including hair, presents a safety hazard to the students or others.
3. Students' apparel need not be expensive or elaborate, but should be neat and clean at all times.
4. Hats, jackets, and coats classified as outdoor clothing should be left in the student's locker or classroom.
5. Shorts must be worn in good taste. Gym shorts, spandex shorts, biking shorts, etc., will not be allowed.
6. Low-riding, baggy or "sagging" pants are considered inappropriate for the school setting both from an employability and a safety aspect and will not be allowed.
7. Hats (except CTC program hats), bandanas, or other head apparel will not be allowed.
8. Job-appropriate shoes must be worn at all times.
9. Any clothing or accessories associated with gang activity or membership are prohibited.

Common sense should prevail when dressing and maintaining good personal grooming for the work world. Failure to comply with the personal appearance guidelines can result in loss of work ethic points, parental contact, or suspension. Continued offenses will be considered insubordination and could result in suspension from CTC.

SEXUAL HARASSMENT

Sexual harassment will not be tolerated at the Career-Tech Center. This will include but not be limited to:

1. touching, pinching, and grabbing body parts.
2. sexual notes or pictures.
3. making suggestive or sexual gestures, looks, or verbal comments.
4. spreading sexual rumors or making sexual propositions.
5. suggestions regarding students' sexual orientation.

Some forms of harassment may also be crimes and will be reported to police or prosecutors. Students who experience Sexual Harassment should report incidents to a teacher, counselor, or assistant principal.

SERVICES AVAILABLE TO STUDENTS

Student Services Assistance

To help prepare students for success on the job, the CTC offers programs of assistance. Students receive Career Preparation instruction including resume' writing, letters of application, and interviewing skills. Counselors provide assistance in areas ranging from personal help to career guidance. Teacher Consultants assist those students with individualized educational plans or special accommodations (please notify CTC if your child has special needs). CTC STUDENT CODE OF CONDUCT

Students

As a person and a student you have certain rights. Along with these rights go certain responsibilities. You have the right to pursue your own fulfillment, but your rights must end when they begin to impinge on the rights of others. Some of the most significant rights and responsibilities in the school setting are:

THE RIGHT TO:

Participate in school activities without being subject to unlawful discrimination on any basis. Where access to participation in programs or activities is on a competitive basis, each student has the right to an opportunity to compete on an equal basis.

Practice freedom of speech, freedom of expression of ideas, and freedom of the press, keeping in mind recent Supreme Court decisions.

Express views or protest symbolically so long as the manner of expression does not disrupt the orderly operation of the school or the rights of others.

Be secure in their persons, papers, and effects against unreasonable searches and seizures. Privacy in regard to their personal possessions will be respected unless there is reasonable suspicion that the student or student's vehicle is concealing materials prohibited by law or school regulation.

Student lockers are the possession of the Career-Tech Center and may be subject to search. The student's privacy rights shall be respected regarding any items that are not illegal or against school policy.

THE RESPONSIBILITY TO DEMONSTRATE AN APPROPRIATE WORK ETHIC BY:

- attending class daily
- being on time to class
- demonstrating job-desirable behavior
- displaying a positive attitude and demonstrating the initiative to complete job tasks
- obey school rules

Maintain a reasonable standard of wearing apparel which is appropriate to your role as a student and meets occupational specific standards.

Foster good human relations within the school by practicing courtesy and tolerance in their dealings with each other, and to respect the dignity and worth of other individuals.

Refrain from libelous, slanderous remarks, and obscenity in verbal or written expression, and harassment or intimidation of other students.

Develop tolerance of the viewpoint and opinions of others. Recognize the right of other individuals to form different points of view, and to dissent in an orderly and respectful manner.

Respect the rights, property, and privacy of other students and school personnel, carry only those materials which are acceptable under the law and which are not hazardous to any person or property and to accept the consequences for articles stored in school lockers.

As a student at Career-Tech Center, you are expected to behave appropriately while you are at school during the school day, in the student parking lot, and at school-sponsored activities. You should be aware of the possible consequences if misconduct does occur.

Minor misbehavior will be handled by the classroom teacher, but more serious misconduct will be referred to the appropriate school administrator or counselor. **Repeated misconduct violations by the same student will be considered insubordination or gross misbehavior and will result in stiff penalty or consequences.** The purpose of this Code is to give examples of various categories of misconduct that may result in discipline up to suspension or expulsion. The examples of misconduct are not meant to be all-inclusive. The Code is not intended to cover all inappropriate behavior. The penalties indicated are guidelines. The administration has authority to determine the specific penalty or corrective action for each situation. These general procedures will be followed to ensure that you are treated fairly and with due process.

- I. General Procedures - Due Process: When you are referred to an administrator, coordinator, or counselor for some kind of alleged misconduct, you can expect the following to happen. (The order and actions required may vary with the type and seriousness of the complaint.)
 - a. The administrator, coordinator, or counselor will confer with those involved to attempt to get a fair and accurate account of the facts.
 - b. You will have an informal meeting with the administrator or counselor, usually prior to any disciplinary action.
 - c. You will be informed of the specific charges and evidence, if any, against you.
 - d. You will have an opportunity to tell your version of the incident and to deny the charges and rebut the evidence.
 - e. Your parent or guardian will be contacted by phone and/or written report, and will be informed of the alleged misconduct and possible disciplinary actions. A conference can be requested by student, parent, teacher, counselor, or administrator. Your home school will be contacted.
 - f. Unlawful acts will be reported to proper authorities and appropriate legal action will follow. Disciplinary action may be taken by the school regardless of whether criminal charges result.
 - g. The appropriate school penalty or corrective action will be determined. This may include warning, discipline, temporary removal from program, suspension, or expulsion.
 - h. CTC does not staff an "in-school suspension" room. When necessary, students may be removed from class and directed to the Student Services office. The student may, a) be directed back to class when appropriate; b) be temporarily removed from their program, c) may be suspended out-of-school for a period of one to ten days when the nature of the misconduct or the length of the suspension makes it advisable. Suspension of special education students shall not exceed ten (10) days. Expulsion is permanent removal from CTC.
 - i. Appeal Process: If you or your parent or guardians are dissatisfied with a disciplinary decision, you may appeal in the following way:
 1. Ask the administrator or counselor involved to review the decision.
 2. Appeal the decision to the next administrative level for review.
 3. Appeal to the TBA Board of Education.

School Resource Officer

The TBAISD School Resource Officer (SRO) is a law enforcement officer who is assigned to serve the Career-Tech Center, Oak Park, New Campus and ISD needs as well as collaborate with nearby TCAPS schools when necessary. The main goal of the SRO is to prevent juvenile delinquency by promoting and cultivating positive relations between youth and law enforcement. The SRO position encompasses three major components which allow the SRO to achieve this goal: law enforcement, education, and counseling. These three components allow the SRO to take a proactive approach to law enforcement. SRO's are not just "cops" on campus. They provide all law enforcement duties to each respective campus. They educate the students by teaching law related classes and other related subjects in the classrooms and counsel both students and parents on various topics. The SRO becomes involved in the students' lives as a positive role model. The intent is that the positive experiences students have with the SRO will bridge the gap between juveniles and law enforcement, and in doing so, help prevent juvenile crime. The other critical role they play within each campus is facilitating 'lock down' duties, intruder concerns and any other safety concerns found in this section.

CATEGORIES OF STUDENT MISCONDUCT AND PENALTY GUIDELINES

REPLACEMENT POLICY – SPECIAL UPDATE JANUARY 2012

BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

It is the policy of the District to provide a safe and nurturing educational environment for all of its students.

This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior.

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guest, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all “at school” activities in the District, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school’s control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

NOTIFICATION

Notice of this policy will be **annually** circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parents or legal guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any complaint or investigation as well to as the results of the investigation to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, **confidentiality** will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

Implementation

The Superintendent is responsible to implement this policy, and may develop further guidelines, not inconsistent with this policy.

This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

PROCEDURE

Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior toward a student. Reports shall be made to those identified above. Reports may be made anonymously, but formal disciplinary action may not be taken solely on the basis of any anonymous report.

The Principal (or other administrator as designated) shall promptly investigate and document all complaints about bullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made.

If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

If, during an investigation of a reported act of harassment, intimidation and/or bullying/cyberbullying, the Principal or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying and/or harassment to one of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 – Anti Harassment.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board on an annual basis.

Non-Retaliation/False Reports

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

Definitions

The following definitions are provided for guidance only. If a student or other individual believes there has been bullying, hazing, harassment or other aggressive behavior, regardless of whether it fits a particular definition, s/he should report it immediately and allow the administration to determine the appropriate course of action.

“Aggressive behavior” is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student’s educational, physical, or emotional well-being. Such behavior includes, for example, bullying, hazing, stalking, intimidation, menacing, coercion, name-calling, taunting, making threats, and hitting/pushing/shoving.

“At School” is defined as in a classroom, elsewhere on school premises, on a school bus or other school related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises. It also includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if either owned by or under the control of the District.

“Bullying” is defined as any gesture or written, verbal, graphic, or physical act (including electronically transmitted acts – i.e. internet, telephone or cell phone, personal digital assistant (PDA), or wireless hand held device) that, without regard to its subject matter or motivating animus, is intended or that a reasonable person would know is likely to harm one (1) or more students either directly or indirectly by doing any of the following:

- A. substantially interfering with educational opportunities, benefits, or programs of one (1) or more students;

- B. adversely affecting the ability of a student to participate in or benefit from the school district's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
- C. having an actual and substantial detrimental effect on a student's physical or mental health; and/or
- D. causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Bullying can be physical, verbal, psychological, or a combination of all three. Some examples of bullying are:

- A. Physical – hitting, kicking, spitting, pushing, pulling; taking and/or damaging personal belongings or extorting money, blocking or impeding student movement, unwelcome physical contact.
- B. Verbal – taunting, malicious teasing, insulting, name calling, making threats.
- C. Psychological – spreading rumors, manipulating social relationships, coercion, or engaging in social exclusion/shunning, extortion, or intimidation. This may occur in a number of different ways, including but not limited to notes, emails, social media postings, and graffiti.

“Harassment” includes, but is not limited to, any act which subjects an individual or group to unwanted, abusive behavior of a nonverbal, verbal, written or physical nature, often on the basis of age, race, religion, color, national origin, marital status or disability, but may also include sexual orientation, physical characteristics (e.g., height, weight, complexion), cultural background, socioeconomic status, or geographic location (e.g., from rival school, different state, rural area, city, etc.)

Intimidation/Menacing” includes, but is not limited to, any threat or act intended to: place a person in fear of physical injury or offensive physical contact; to substantially damage or interfere with person's property; or to intentionally interfere with or block a person's movement without good reason.

“Staff” includes all school employees and Board members.

“Third parties” include, but are not limited to, coaches, school volunteers, parents, school visitors, service contractors, vendors, or others engaged in District business, and others not directly subject to school control at inter-district or intra-district athletic competitions or other school events.

For further definition and instances that could possibly be construed as: Harassment, see Policy 5517; Hazing, see Policy 5516.

2016/2017 ADVISORY TO ALL PARENTS

Dear Parent/Guardian:

The Career Tech Center has adopted an Integrated Pest Management program. Inherent with this are TBAISD's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, this program **does not** rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pests from becoming a problem.

As required by Michigan law, you will receive advanced notice of non-emergency application of a pesticide (insecticide, fungicide, or herbicide), other than bait or gel formulation, which is made to the school, school grounds, or buildings. This advance notice of a pesticide application will be given 48 hours before the application by the following two methods:

- 1) Posting at the primary entrances to your child's school. The entrances that will be posted are the main entrance and those that have a sidewalk that leads directly to a parking lot.
- 2) Posting in the common area located by the main office of the school.

Please note that notification is not given for use of sanitizers, germicides, disinfectants or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be promptly notified following any such application, via the two posting methods identified (above).

You may review the school's Integrated Pest Management program and records of any pesticide application upon request by contacting the Office of the Principal – Pat Lamb at 922-6322 or plamb@tbaisd.org.

Parents or guardians of children attending the school are also entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the application, if they so request. If you would like to be notified by mail please contact the Office of the Principal – Pat Lamb at 922-6322. Please give your name, mailing address and what school(s) your child or children attend and they will put your name on the advance notification by US Mail list.

Please note that after the school year is completed and during the months when school is not in regular session (summer), those parents who requested advance notice by mail, will be notified using an alternative method consisting of a telephone message notification system. Parents and guardians may call 231-922-6322, at least 1 day before an application, for advance notification. The school will also continue posting advance notification at the school by the methods identified above.

Sincerely,
Stephanie Murray
Assistant Superintendent for Ancillary Services

Model Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

- (1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the School to amend a record should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

[NOTE: In addition, a school may want to include its directory information public notice, as required by § 99.37 of the regulations, with its annual notification of rights under FERPA.]

MEMORANDUM TO PARENTS REGARDING SCHOOL BOARD POLICY ON DRUG-FREE SCHOOLS

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the District will also notify law enforcement officials.

The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

PARENT NOTIFICATION LETTER – HBV - HIV

Dear Parent:

We recently have been notified by the Federal government that the District is subject to new regulations from the Occupational Safety and Health Administration (OSHA) to restrict the spread of hepatitis B virus (HBV) and human immune deficiency virus (HIV) in the workplace. These regulations are designed to protect employees of the District who are, or could be, exposed to blood or other contaminated bodily fluids while performing their job duties.

Because of the very serious consequences of contracting HBV or HIV, the District is committed to taking the necessary precautions to protect both students and staff from its spread in the school environment.

Parts of the Federally-mandated procedures include a requirement that the District request the person who was bleeding to consent to be tested for HBV and HIV. This information would then be provided both to the exposed employee and the treating physician to determine proper medical treatment. The law does not require parents or guardians to grant permission for the examination of their child's blood, but it does require the District to request that consent. Although we expect that incidents of exposure will be few, we wanted to notify parents of these requirements ahead of time. That way, if the situation does develop you will understand the reason for our request and will have had an opportunity to consider it in advance. These are serious diseases, and we sincerely hope that through proper precautions and cooperation we can prevent them from spreading. If you have any questions or concerns, please contact the principal or designee at 231.922.6273.

ASBESTOS MANAGEMENT PLAN

Traverse Bay Area Intermediate School District presently operates an asbestos control program in accordance with the Asbestos Hazard Emergency Response Act (AHERA) of 1986, 1987 as amended. This plan is presently on file at the State of Michigan Asbestos Program and the EPA Region V in Chicago, Illinois. All known asbestos containing materials (ACMs) have been documented in the "Management Plan" and are available for public review in the Custodial/Maintenance Office at the Administration Building, 1101 Red Drive, Traverse City or in the principal's office of each individual school.

In 2016 the three-year inspections were performed by a State of Michigan Accredited Asbestos Inspector. All remaining ACMs were noted to be intact (good condition) and do not require any response actions at this time. Also in June, 2016 most of the asbestos containing floor tiles in New Campus were removed by a State of Michigan Licensed Asbestos Abatement Contractor.

The school satisfies the requirements of AHERA and OSHA by performing periodic surveillance every six months to assure that ACM conditions do not change and has documented annual asbestos training for all of its affected employees. For additional questions regarding ACM in the district or in any leased facilities, please contact Larry Axtell at 231-922-6200. Thank you.

NOTIFICATION TO PARENTS REGARDING STUDENT RECORDS

The Principal or designee is the Custodian of Records and is responsible for the supervision of student records at the school. The office is located at 880 Parsons Road, Traverse City, MI 49686, and the office may also be reached by calling 231.922.6273.

Each student's records will be kept in a confidential file located at the student's school office. The information in a student's record file will be available for review only by the parents or legal guardian of a student, adult student (eighteen (18) years of age or older), and those authorized by Federal law and State and District regulations.

A parent or adult student has the right to:

- inspect and review the student's education records within forty-five (45) days after receipt of the request. The school has a form which can be used to submit a request. The Custodian of Records will notify the parent or adult student of the time and place where the records can be inspected.
- request amendments if the parent or adult student believes the record is inaccurate, misleading, or otherwise in violation of the student's rights. The school has a form which may be used to identify which information in the record the parent or adult student believes is inaccurate or misleading and to specify why it is inaccurate or misleading.
- consent to disclosures of personally-identifiable information contained in the student's education records, except to those disclosures allowed by the law. The school's administrative guideline 8330 describes those exceptions and is available upon request.
- challenge District non-compliance with a parent's request to amend the records through a hearing. If the Custodian of Records decides not to amend the record, the parent or adult student will be so notified and provided the opportunity for a hearing. Additional information concerning the hearing will be provided when notified of the opportunity for a hearing.
- sign a written request to the Board that indicates that the student or the parent or legal guardian does not want the student's directory information (including name, address, and phone number, regardless of the District's definition of student directory information) to be accessible to official recruiting representatives of the armed forces or institutions of higher learning, then the officials of the school shall not allow that access to the student's directory information. The Board shall notify students, parents, and guardians of the opportunity to deny release of directory information. The election will remain until revoked in writing (see Form 8330 F13).
- file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, D.C. 20202 - 4605.
- obtain a copy of the District's Policy 8330 and AG 8330 on student records.

The District has established the following information about each student as "directory information":

(REFER TO POLICY 8330 FOR THE INFORMATION THE DISTRICT HAS DEFINED AS DIRECTORY INFORMATION.)

Each year the District will provide public notice to students and their parents of its intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": () student's name; () address; () telephone number; () date and place of birth; () photograph; () major field of study; () participation in officially-recognized activities and sports; () height and weight, if a member of an athletic team; () dates of attendance; () date of graduation; () awards received; () honor rolls; () scholarships; () telephone numbers only for inclusion in school or PTO directories.

The District will make the above information available upon a legitimate request unless a parent, guardian, or adult student notifies the School in writing within seven (7) days (**refer to Policy 8330**) from the date of this notification that s/he will not permit distribution of any or all such information.

2416 – STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION

The Board of Education respects the privacy rights of parents and their children. No student shall be required as a part of the school program or the District's curriculum, without prior written consent of the student, (if an adult or an emancipated minor), or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- A. political affiliations or beliefs of the student or his/her parents;
- B. mental or psychological problems of the student or his/her family;
- C. sex behavior or attitudes;
- D. illegal, anti-social, self-incriminating or demeaning behavior;
- E. critical appraisals of other individuals with whom respondents have close, family relationships;
- F. legally-recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- G. religious practices, affiliations or beliefs of the student or his/her parents; or
- H. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

The Superintendent shall ensure that procedures are established whereby parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the building principal.

To ensure the rights of parents, the Board directs building and program administrators to:

- A. Notify parents of any surveys, analyses, or evaluations, which may reveal any of the information, as identified in A-H above, in a timely manner, and which allows interested parents to request an opportunity to inspect the survey, analysis, or evaluation; and the administrator to arrange for inspection prior to initiating the activity with students.
- B. Allow the parent the option of excluding their student from the activity
- C. Report collected data in a summarized fashion which does not permit one to make a connection between the data and individual students or small groups of students.
- D. Treat information as identified in A-H above as any other confidential information in accordance with Policy 8350.

Additionally, parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of the student. The parent will have access to the instructional material within a reasonable period of time after the request is received by the building principal. The term instructional material means instructional content that is provided to a student, regardless of its format, including printed and representational materials, audio-visual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or assessments.

The Board will not allow the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for the purpose).

The Superintendent is directed to provide notice directly to parents of students enrolled in the District of the substantive content of this policy as least annually at the beginning of the school year, and within a reasonable period of time after any substantive change in this policy. In addition, the Superintendent is directed to notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- A. Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information
- B. The administration of any survey by a third party that contains one or more of the items described in A-H above.

For purposes of this policy, the term "parent" includes a legal guardian or other person standing in loco parentis (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the welfare of the child).
